Purpose for which permit is granted:	To discharge stormwater and process water to land in circumstances where it may enter water	
Location	- site locality - map reference - receiving environment	Tiwai Point E47:566-920 Land
Legal description of land at the site:	Lot 1 DP 13988	
Expiry date:	8 October 2039	

Schedule of Conditions

1. The consent period is thirty-five years.
(Note: Pursuant to Sections 123 and 124 of the Resource Management Act 1991, a new consent will be required at the expiration of this consent. The application will be considered in accordance with the plans in effect at that time, and the adverse effects of the proposed activity).
2. This resource consent authorises the discharge of stormwater from an industrial yard and process water (compressor condensate, cooling tower water and washdown water, as described in the application) to land, in circumstances where contaminants may enter water, at about map reference NZMS 260 E47:566-920.

3. The consent holder shall notify Environment Southland's Environmental Compliance Manager without undue delay in the event of conspicuous oil or grease in the discharge.
4. The consent holder shall inspect the drainage (Compressor House No. 1, Cooling Tower, Workshop/office and Gas Insulated Switchgear 220kV Building) and infiltration areas at least once a month. A log of these inspections, including a record of any visible oil which may affect the discharge, shall be kept and supplied to Environment Southland's Environmental Compliance Manager upon request.
5. The consent holder shall pay an administration and monitoring charge to the Southland Regional Council collected in accordance with Section 36 of the Resource Management Act, payable in advance on the first day of July each year.
6. The Council may, in accordance with section 128 and 129 of the Act, serve notice, during the period May to July each year, of its intention to review conditions for the purpose of:
 - (i) Dealing with any adverse effects on the environment which may arise from the exercise of this consent; and/or
 - (ii) Complying with the requirements of a regional plan.
