Southland Just Transition: Goal

“The goal is to help Southland build its economic, environmental and social resilience through and beyond the planned closure of the New Zealand Aluminium Smelter in December 2024.”

Southland Just Transition: Plan

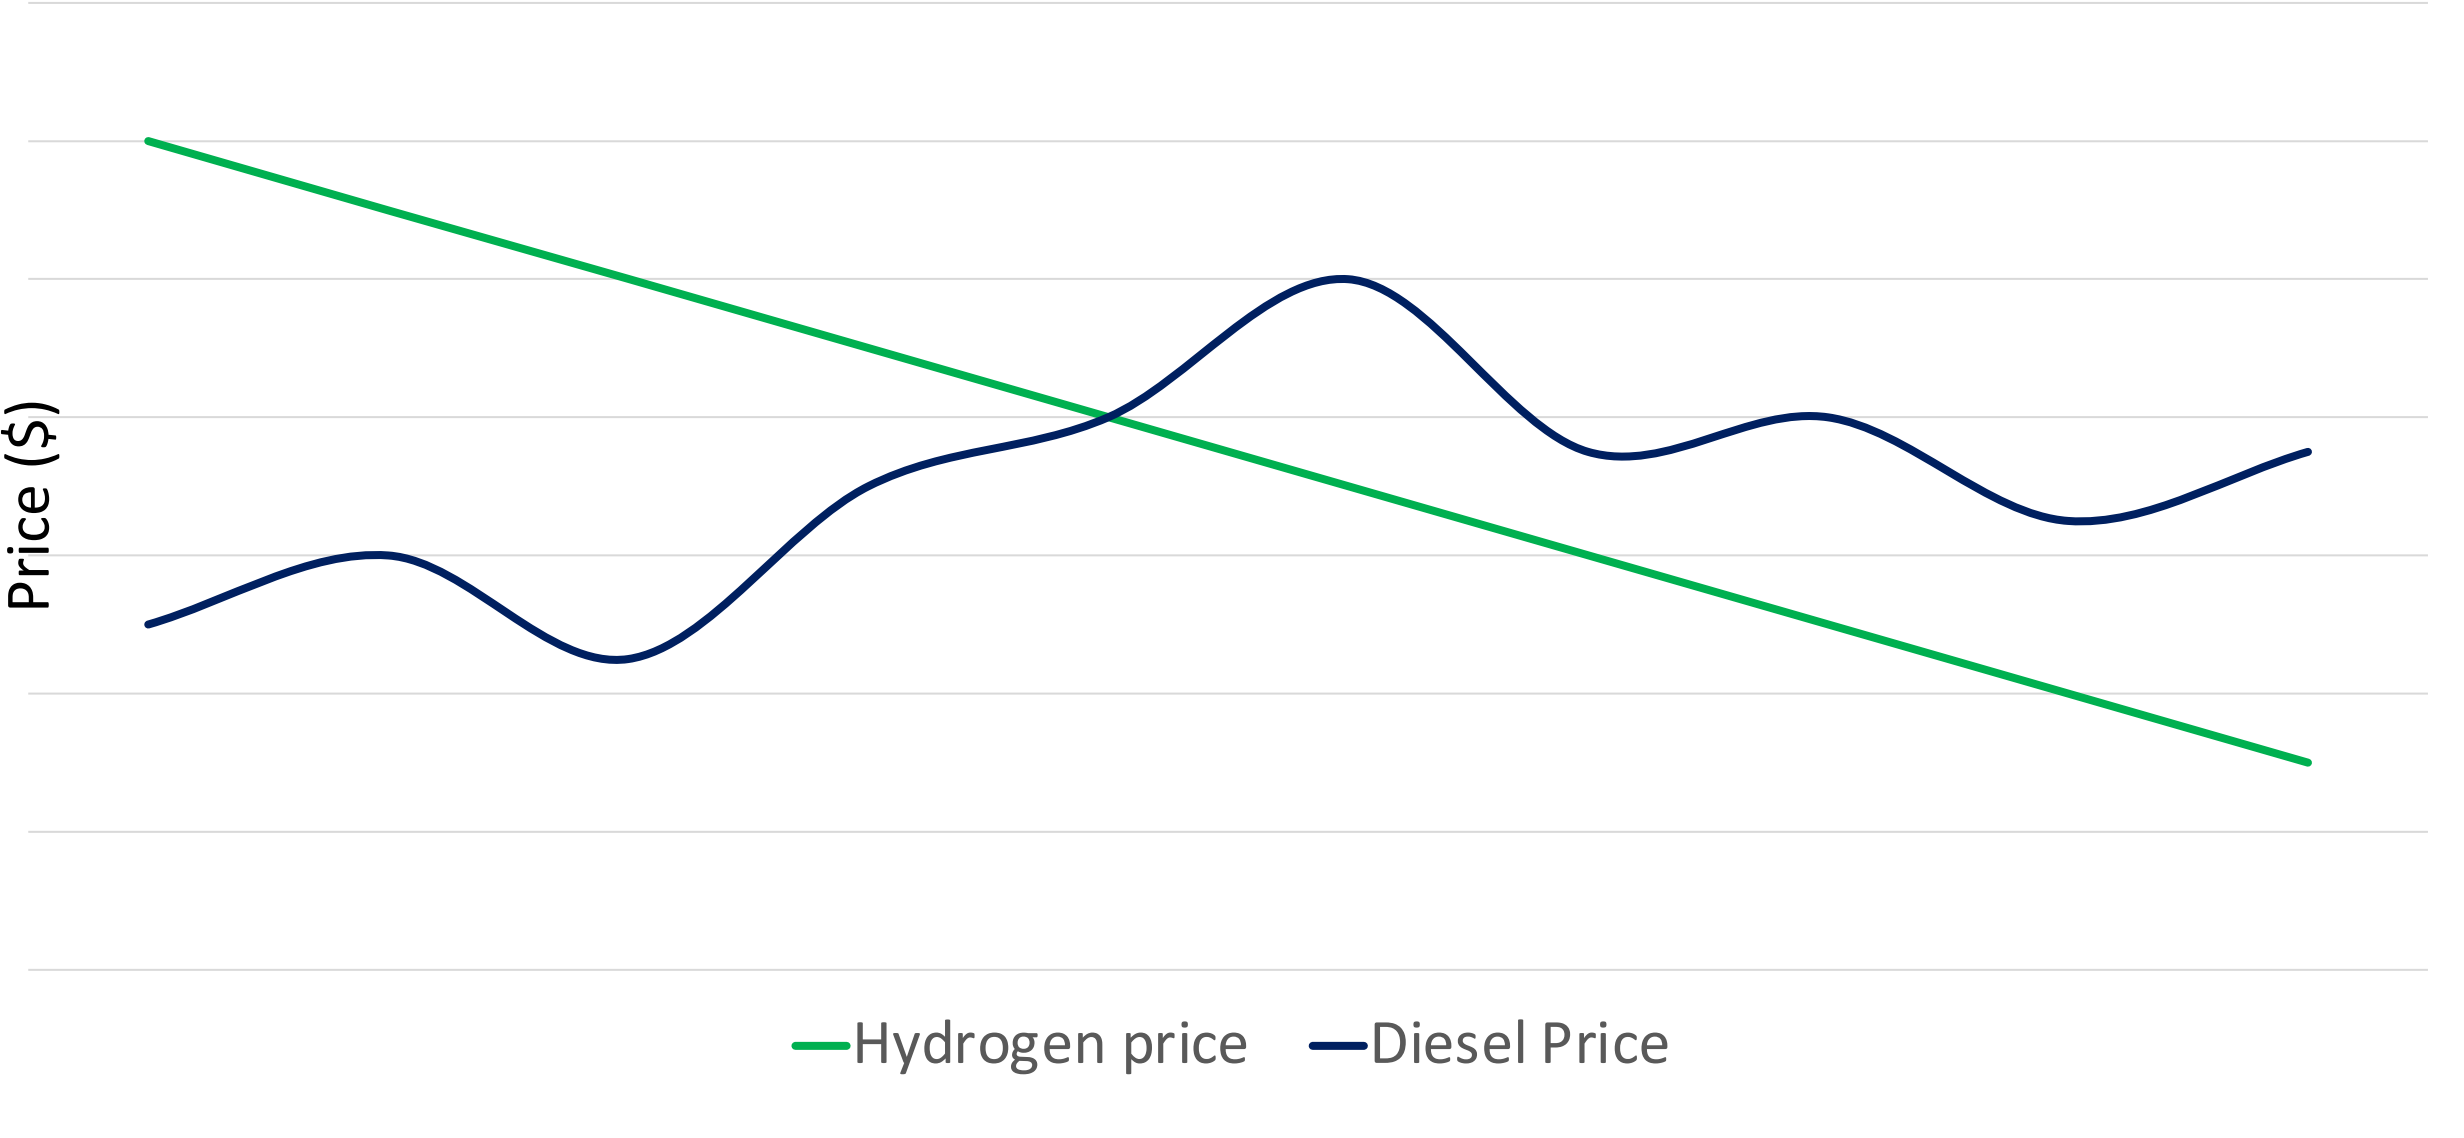

Southland Just Transition: What comes next

Earlier today Minister Woods announced:

- Green Hydrogen: Regional Hydrogen Transition
- Southland's aquaculture industry
- Southland Engineering and Manufacturing Cluster
- Southland Start-up and Innovation Ecosystem (COIN)

Southland Just Transition: Green Hydrogen

— Hydrogen price — Diesel Price
